

# Flavia Mazzeo

## Research Interests

Intimate Partner Violence  
Family Demography  
Gender studies

## Education

- Sett 2022 - **Doctoral School of Demography - Max Planck Institute for Demographic Research, Rostock and Centro de Estudios Demográficos (CED), Barcelona**, ongoing
- 2022 **University of Trento**, M.A. Sociology and Social Research (*cum laude*)  
*Advisor*: Professor Agnese Vitali  
*Thesis title*: Couples' employment patterns and violence against women in Europe
- 2019 **Alma Mater Studiorum - Università di Bologna**, B.A. Scienze politiche, sociali e internazionali  
*Advisor*: Professor Paola Parmiggiani  
*Thesis title*: Policies against gender-based violence in Italy (written in Italian)

## Work Experience

- April 2022 – **Fondazione Demarchi in collaboration with University of Trento, Ufficio Pari Opportunità e Ispat**, Scientific support  
*Project*: Rapporto sulla violenza di genere anno 2022 (Report on gender-based violence, 2022)  
I am working on data on gender-based violence of the region of Trentino, Italy. My responsibility is to produce a report on gender-based violence through the analysis and elaboration of the data available on the territory.
- May 2021 **University of Trento in collaboration with IRVAP**, CATI interviewer  
*Project*: WILL - Educare al futuro  
Worked as a CATI interviewer for the project 'WILL - Educare al futuro', which is a project selected by the social enterprise 'Con i Bambini' (With the children) and has the aim of sustaining school careers and training of students from low-income families.

## Research Experience

- May 2022–July 2022    **Post-graduate internship at CDE**, Center for Demography and Ecology, UW Madison  
*Advisor:* Professor Christine Schwartz  
During this internship we started a research project on union dissolution in Germany, in collaboration with prof. Agnese Vitali and prof. Stefani Scherer from the University of Trento.
- July 2021–Oct 2021    **University internship at ISPAT**, Statistical Institute of the Autonomous Province of Trento  
*University Advisor:* Professor Agnese Vitali  
*Company Advisor:* Ermanno Ferrari  
Worked as an intern for the institute of statistics on the processing of data on violence against women in Italy and in the Autonomous Province of Trento. I reviewed literature, cleaned and managed data using Excel and RStudio, and developed a disclosure report on the topic. The data came both from a national survey on women's safety (2014), as well as regional data from women's shelter, warnings and complaints (2020).

## Teaching Experience

- Feb 2022–                **Private Tutor**, Statistics instructor  
Private tutor of statistics for several first year students of my MA program.
- Nov 2021–Mar 2022    **University of Trento**, Statistics instructor  
Personal tutor of statistics within the project 'FUTURA (2021-2026)', a project for university formation for refugees and asylum seekers.
- Oct 2018–June 2019    **Private Tutor**  
Instructed middle school student in Bologna, Italy in mathematics, science, Italian and history.
